

DODDLE Parent

- Empowering parents with up-to-date assessment and homework information
-

✓ Instantly see what homework your child has been set

✓ View the resources they have to do

✓ Support your child's learning at home

✓ See how well your child is doing in individual subjects

✓ Information on-the-go on your mobile

✓ Identify strong and weak points

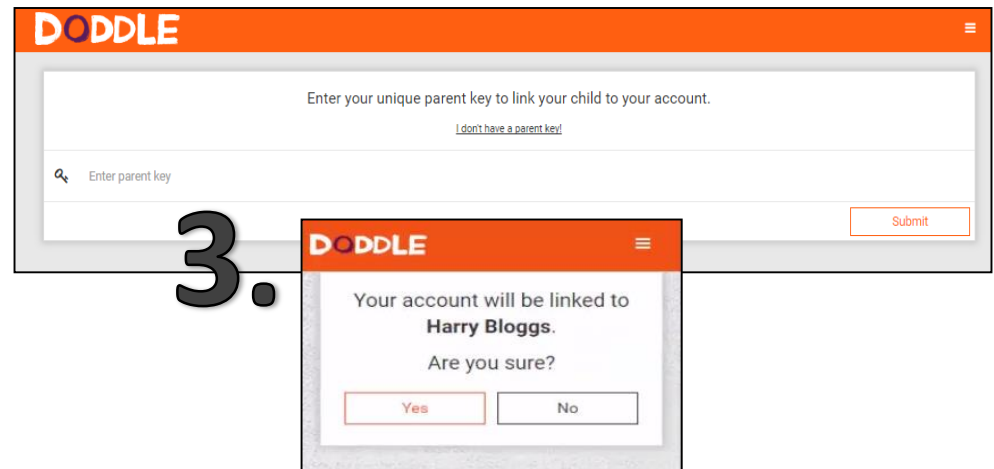

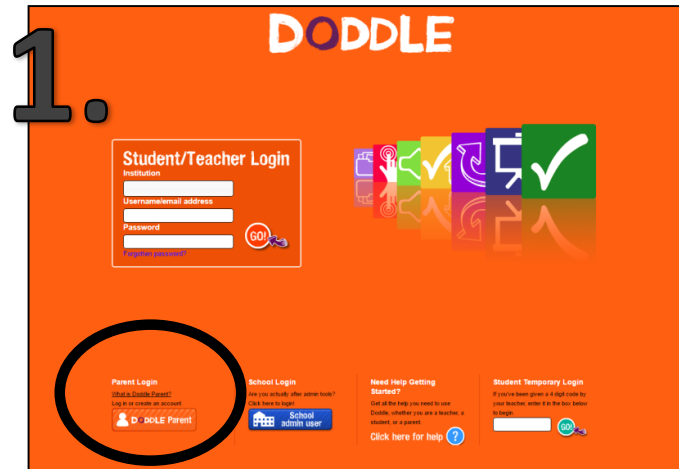

How do you set up an account?

1. Create your Doddle Parent account at www.doddelearn.co.uk/app/parent/enrol using your own email address

2. Verify your account using the link sent to your email

3. You will then be given a unique key for your child/children by the school.

Once entered, this key will link your account to your child's data.

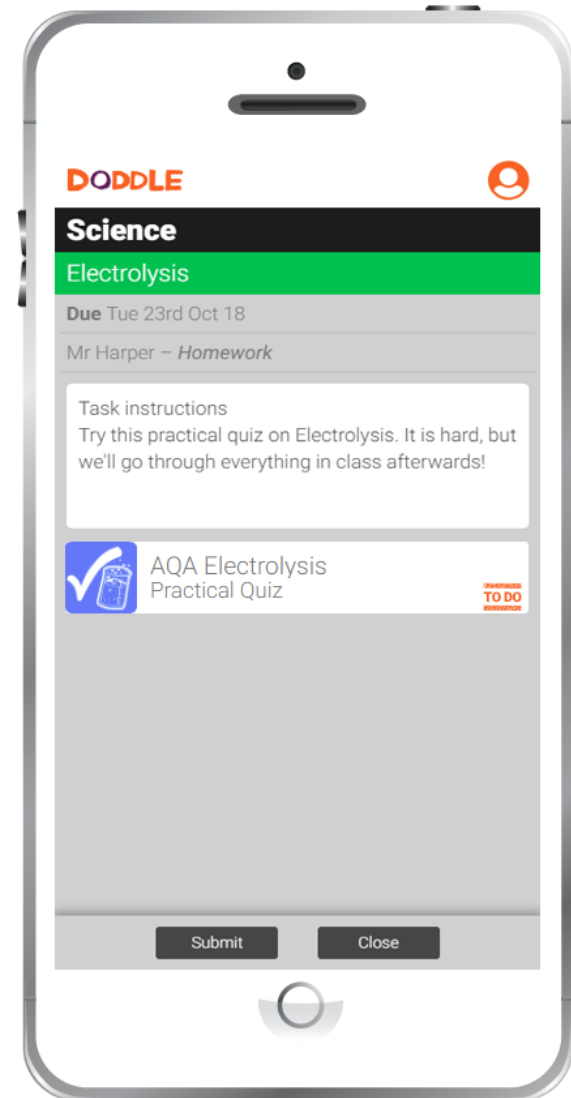

With the Doodle app, you can access all your child's homework and tasks on the go!

View resources, quizzes and explore the Learn section for revision to help your child.

Receive daily notifications to remind you what homework your child has due

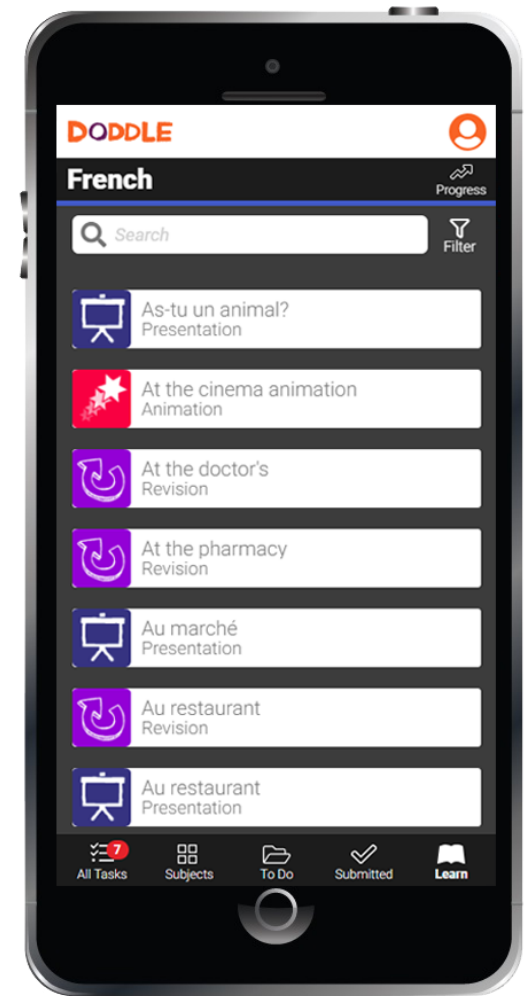

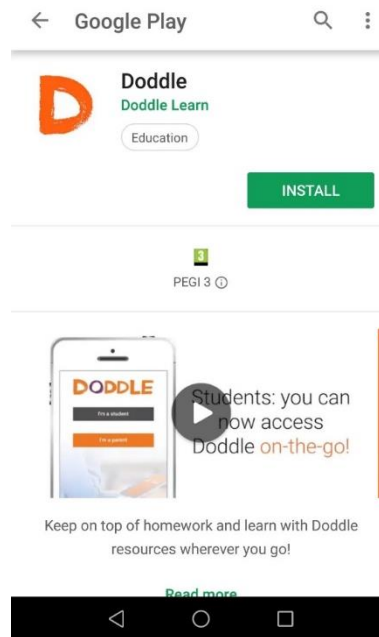

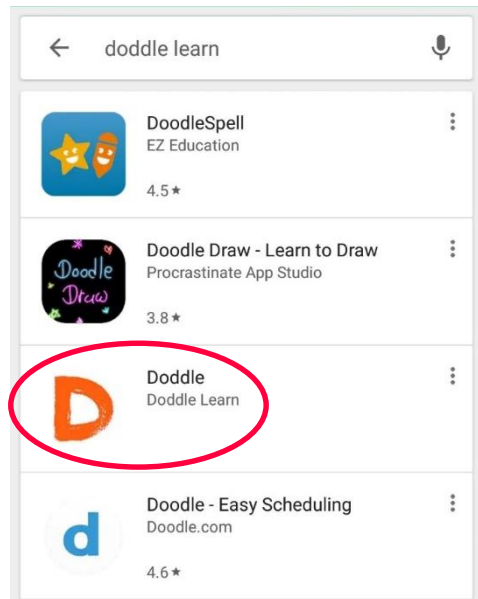

Stay logged in on your phone, with quick access to all your tasks

To find the Doodle app, simply go to the [play store](#) or the [app store](#), depending on your device.

Search for Doodle Learn, and click Install.

You can then use your existing details to log in.
