FAX: 020 8312 1642

WEBSITE: WWW.STPAULSACADEMY.ORG.UK

Principal: Patrick Winston MBA(Ed), BEd

Teacher of ICT & Computer Science

Required from 1st July 2018

Salary MPS(including LW)

Roll: 1,200

The Archdiocese of Southwark sponsors St Paul's Academy, which replaced the successful St Paul's Catholic School in order to increase the number of Catholic and community places available to local children. The Academy moved to a brand new building with outstanding facilities in January 2010. Last summer 69% of the students achieved Grade 4+ in both English & Mathematics and 48% of the cohort achieved Grade 5+ in both subjects. In the Section 48 Inspection (May 2013), the headline was *St Paul's is an outstanding school*.

The Academy is looking for a well-qualified and enthusiastic teacher of Computer Science.

We offer:

- excellent support for all teaching staff
- opportunities for further professional development

This post would be ideal for a new entrant into teaching.

St Paul's Academy is committed to safeguarding and promoting the welfare of children and young people; it expects all members of staff to share this commitment. This post is subject to a Disclosure and Barring Service (DBS) check.

For further details about this post, please go to the school website www.stpaulsacademy.org.uk . For an informal discussion, please call Eileen Bryan (Assistant Principal) on 020 8311 3868 x 115.

Closing date for applications is
12 noon Friday, 20th April 2018
Interviews will take place during w/b. Monday, 23rd April

ACADEMIES

ST PAUL'S ACADEMY

March 2018

Dear Applicant

Teacher of ICT & Computer Science

Thank you for indicating an interest in the above post. I do hope you will find the time to carefully consider all the documentation in the pack and if you are interested by what you read we would be delighted to receive your formal application.

The Academy moved to its new campus in Abbey Wood in January 2010. St Paul's was an already successful school and will achieve even greater success through the opportunities being offered by the development of the Academy.

The Archdiocese of Southwark, whose vision of a Catholic School for the future has shaped this project, sponsors the Academy. The Academy intake gives priority to children from practicing catholic backgrounds and also reserves a number of places for children of other and no faiths.

It officially opened in September 2005 with approximately 660 students and has now reached its full capacity of 1,200 students.

The Academy has specialisms of Sports and Enterprise which is reflected in the excellent sporting and learning facilities in the new building. An important aspect of your role will be to ensure that the specialism underpins the whole curriculum and that all students have the opportunity to develop and apply their knowledge and skills.

You will note in the pack that there is also a strong emphasis on developing and implementing new approaches to learning so that students of all abilities will be continually motivated and challenged to achieve their full potential. For this to happen we require committed staff who are able to deliver the very latest and the very best practice in teaching and learning strategies.

The successful applicant will be working within the Creativity & Technologies Learning Zone which is led by Eileen Bryan.

If you would like to be part of a unique educational project providing you with high challenge and high reward and if you feel you have the prerequisite skills, experience and qualities, please do not hesitate to apply.

I look forward to meeting with those applicants invited for interview and to sharing ideas about turning the vision into reality.

Patrick Winston
Principal

ST PAUL'S ACADEMY

51 FINCHALE ROAD, ABBEY WOOD, SE2 9PX
