

Year 10 Peabody Career Carousel

On Thursday, 7th July, St Paul's Year 10 students interested in pursuing vocational Level 3 qualifications or apprenticeships attended a career carousel event organized by Peabody at the Moorings Social Club. This event, held in collaboration with Career Ready, aimed to support Year 10 students as they prepare for their transition to Sixth Form.

The carousel introduced students to various career pathways, provided opportunities to connect with industry professionals, and offered valuable insights into the world of work.

Career Ready is a national social mobility charity that partners with educators and employers to help young people kickstart their careers. To learn more about how Career Ready can support your child, please click on the link below:

Year 10 attended a Career Carousel with employers at the Moorings in Thamesmead with Harris Garrard school.

Students praised the event for its usefulness in helping them understand vocational pathways and the subjects required to enter their desired professions. As a result, many students have secured work experience opportunities in their chosen fields for the near future. Congratulations to the Year 10 students who were commended by the participating companies for being outstanding representatives of the school.

Students complete the Career Ready task speaking with the companies every 12 minutes.

Year 10 speak to Bayanix construction company in the carousel.

Year 10 interviewing Power Mobile Gym.

Year 10 pose with the companies at the Career Fair.

Power Mobile Gym, along with another company, featured former St. Paul's Academy students who have successfully launched their own businesses. These alumni returned to share their entrepreneurial journeys and insights with current students.

Where is your next SPA classroom?
