Summer 2021 Examination Results

St Paul's Academy is pleased to report on the successful examination results of our students and we offer them congratulations for all they have achieved.

It has been another challenging year for young people taking public exams. The announcement on 25th February regarding the cancellation of the exam season caused much disappointment to students. The introduction of the Teacher Assessed Grades, however, ensured fairness and rigour for all and gave us the opportunity to direct the students towards success. The students demonstrated exceptional determination and resilience both in school and during the periods of lockdown. In spite of the challenges of the pandemic, we are delighted to announce the successful results of the Class of 2021.

We are also pleased to announce that for our key performance measures, 83% of students achieved a Grade 4 or better in English, with 69% achieving a Grade 5 or better. In Maths, 78% of students achieved a grade 4 or better and 52% of students achieved a grade 5 or better. We can also report that 73% of students achieved a grade 4 or above in **both** English and Mathematics.

In terms of other performance measures, we would like to report that our English Baccalaureate average point score is 4.21 and the provisional average Attainment 8 for all students currently stands at 49.07. The Progress 8 score will be determined and reported later in the Autumn Term. Our excellent results compensate for the difficult months our students have had to endure. On page 3, you will see the exceptional results achieved in a wide range of subject areas.

The staff of St Paul's Academy continue to be committed to doing their very best for all students in an ever-changing landscape. The collegiality and resilience of staff and students alike is to be celebrated and commended and we give thanks for all the support given by the cohort's parents, carers and families. We would like to offer our heartfelt congratulations to the students in all that they have achieved in the past 5 years at St Paul's and we wish them every possible success and happiness as they embark on the next stage of their lives.

Congratulations to the Class of 2021!

Siobhan M. Malone

GCSE Teacher Assessed Grades achieved by Year 11
