9 April 2020

Dear Parents and Carers,

At St Paul's we believe that good pastoral care focuses on nurturing and supporting the individual needs of each child. Members of staff are not only concerned with academic progress but also with the personal and social development of all students. We aim to foster a close relationship between school and home and in this current, challenging climate, the importance of continued care and support is even more essential.

Students' daily care and welfare is supported through the work of their form tutor who check in with their news, concerns and any other updates. This regular link is crucial in supporting our students in managing their learning and providing another important adult connection outside the home.

The Year 10 Pastoral Team have trialled a strategy of conducting weekly telephone contact with parents and carers of Year 10 students. As this is working so well, from Monday 20th April, all form tutors and Heads of Years will be making telephone contact with all parents and carers. The purpose of the 'wellness' call is a chance to review how the week has gone for your child and what additional support can be offered by the Academy. The calls will occur once a week and you will receive a call on the same day each week. Families are to be aware that the calls will come up as 'No Caller' or 'Private Number'. As some form tutors are unable to make a call, a weekly wellness email will be sent instead.

Many families are already in contact with a number of colleagues across the Academy; this strategy is to provide additional support to compliment existing intervention.

If you have any queries, please feel free to contact me on:
