

## **MESSAGE FROM VICKI BANBROOK - CAREERS ADVISER**

### **COLLEGE/SIXTH FORM OPEN EVENT DATES**

#### **Sixth Form and College Open Events - 2025 entry**

**Dates will be added as we go along as the sixth forms and colleges do not publish their dates all on the same day**

#### **A few notes**

- 1) Many of the sixth forms and colleges want students to be accompanied by an adult when attending open events, so if you are intending to go on your own please check with them first.
- 2) Nowadays many institutions want students to book a place via their websites so yet another thing to check before you attend. Whilst doing this also double check dates and times provided in case there have been changes or updates.
- 3) If any Post 16 open event dates are still to be confirmed (TBC) you or your parents/carers will need to keep looking at the websites as the weeks progress to find the information, or you could ring or email the institution and ask for details. I will attempt to update this list as we progress through the next few weeks/months but ultimately it is your/your parents/carers responsibility to find/check the dates.
- 4) Some of these institutions hold multiple events throughout the year, but not all.
