

Year 10 visit Colfe's Independent School

Year 10 students will be applying for Colfe's on a Leatherseller Scholarship in November 2024.

In June, Year 10 students had a wonderful afternoon at Colfe's Independent School, where they served as outstanding ambassadors for our school. Their exemplary conduct during the A-Level masterclasses earned high praise from staff, reflecting positively on their Year 10 pastoral team.

During their visit, students explored a variety of A-Level subjects offered by the school, including Civilizations, Further Maths, and Photographic Art. They also had the opportunity to attend a Leatherseller Scholarship evening with the Principal, which provides access to one of 12 full scholarships available for Sixth Form entry.

Additionally, we are proud to share that three former St. Paul's Academy students from Year 13 are set to continue their education at Oxford or Cambridge University, while another student will be starting an apprenticeship at Deutsche Bank in London.
