

Year 10 are going to Oxford

Year 10 gained places on the University initiative for summer of 2023.

These students will be travelling to Oxford in August for a week long residential to experience university life. They will live in student accommodate and experience a range of degree subjects. This is fully funded places provided by the University scheme. They will also receive 1-to-1 mentoring from an Oxford graduate every month of Year 11 and attend a Spring revision residential in Easter of Year 11.

Congratulations Year 10!
